Київ - 2020

Завдання 1.

HTML:

```
<!DOCTYPE html>
<html lang="en">
<head>
  <meta charset="UTF-8">
  <title>l6t1</title>
  <style>
    .parent {
      width: 200px;
      height: 200px;
      border: 2px solid black;
      margin: 10px;
      background-color: red;
    }

    #main {
      display: flex;
      justify-content: center;
    }
  </style>
</head>
<body>
  <div id="main">
    <div class="parent" id="enter">
      MouseEnter
    </div>
    <div class="parent" id="out">
      MouseOut
    </div>
    <div class="parent" id="over">
      MouseOver
    </div>
    <div class="parent" id="down">
      MouseDown
    </div>
    <div class="parent" id="up">
      MouseUp
    </div>
    <div class="parent" id="click">
      Click
    </div>
  </div>
  <script src="task1.js"></script>
</body>
</html>
```

JS:

```
function color()
{
    this.style.backgroundColor = 'green';
}

var enter = document.getElementById("enter");
enter.addEventListener('mouseenter', color);

var out = document.getElementById("out");
out.addEventListener('mouseout', color);

var over = document.getElementById("over");
over.addEventListener('mouseover', color);

var down = document.getElementById("down");
down.addEventListener('mousedown', color);

var up = document.getElementById("up");
up.addEventListener('mouseup', color);

var click = document.getElementById("click");
click.addEventListener('click', color);
```

Завдання 2

HTML:

```
<!DOCTYPE html>
